Warren, PA – United Refining Company of Pennsylvania, doing business as Kwik Fill® / Red Apple Food Marts®, today announced the results of its “Operation Give Thanks” fundraising campaign conducted during November 2022. “Operation Give Thanks” is a company-and-customer-supported program designed to aid active-duty service members, veterans, and their families using various armed forces related charities in Kwik Fill Country.

The combination of customers’ direct donations along with the amount committed by Kwik Fill from fuel sales (November 11 through 28) totaled \$176,194.88. \$132,146.16 will be donated to Operation Homefront, a highly rated national 501(c)(3) nonprofit headquartered in San Antonio, Texas that helps build strong, stable, and secure military families. Operation Homefront will direct those funds to recipients in the Kwik Fill market area (western NY, western PA, and eastern OH). \$22,024.36 will be donated to the Special Forces Charitable Trust (SFCT). SFCT provides meaningful and sustainable support to the Army Green Berets, and their Families. AVVC provides supportive housing for homeless veterans. The mission of the AVVC is to provide a full continuum of support to homeless, unstably housed, and low-income veterans and to assist them with developing goals to transition from the AVVC into permanent housing.
